Debbie:

We applied when we had a buyer in this building, but the sale fell through. As this unit is in the rear of the community we will probably wait longer to build this unit.

I am requesting a 90 day extension for picking up the following permits:

806 Francis Harris Place, B18-0086

804 Francis Harris Place, B18-0087

802 Francis Harris Place, B18-0088

800 Francis Harris Place, B18-0089

Your consideration would be greatly appreciated.

Thank you,

Chris Wine
