Dear Ms. Morgan,

I am sending this email to inform you that Realistic Builders Inc. is not the General Contractor doing work at 40 Cornhill Street effective August 14<sup>th</sup>, 2018.

We have completed our Time and Material Contract with the Homeowner, Mrs. Ellen Carroll, and have decided to move on to jobs waiting on our schedule.

Please let me know if this is a sufficient way of informing you, or would you prefer me to draft a letter with the information?

Mark mentioned you were helping him with his matter and I would like to thank you. It is most appreciated!

Wendy Hall
