Dear LeKita,

I have a current permit issued through your office for  
31 Chesapeake Landing  
# BLD20-0514, owner Clain- Stefanelli .  
Absolute Contracting Corp will not complete the job. I have hired Ram Construction  
to finish the project. I would appreciate it if you could change the name on my permit to the new construction company .  
Ram Construction  
1000 West Street  
Annapolis, Maryland 21401

Will you send a new permit to my house or just change it in the computer? Will I need the new permit to be displayed on  
my front door in order to finish my final inspections?

E. Clain-Stefanelli  
31 Chesapeake Landing  
Annapolis, Md 21403

Thank you for your assistance concerning this matter.

Best Regards,  
Eleanor Clain-Stefanelli

Am I able to just switch the contractors on this one?

*The City of Annapolis will re-open to the public beginning at 8:30am on Tuesday, July 6, 2021. At that time, the City will no longer be accepting the submittal of permits via email or payments for permits over the phone. You will be required to come into the office to file, receive and pay for permits. The permit counter will be open from 8:30am to 4:00 pm. The offices close at 4:30 p.m.*
