Re: Grading Permit GRD 15-0059

Dear Debbie:

You recently contacted Jack Dawson about the captioned permit. Our office represents the property owner, ETN Global, LLC and its managing member, Dimitri Sfakiyanudis.

On behalf of our client, I am requesting that ETN Global, LLC be given up to a six month extension to procure its bond in order to obtain the issuance of the grading permit. You had mentioned in your November 16, 2017 letter to Mr. Dawson that if work has been done without a permit, municipal citations may be assessed. I am not aware that any work has been done at the site and respectfully request that the extension be granted as above noted. Feel free to call me if you would like to discuss this.

Very truly yours,

HYATT & WEBER, P.A.
